

AAESS

Board of Governors

February 27, 2008

Dear Parents,

We would like to once again extend our appreciation to all the parents who have shown their interest and extended their support to the initiatives of the Board of Governors and chose to vote in the latest election for Parent Governors.

We were fortunate to have three very qualified and committed parents to choose from and we are happy to announce that **Mr. Matthew Collins** and **Ms. Marylou Rushforth** will join the AAESS Board of Governors. As an elected parent, they will serve as a Governor for the remaining of the current Academic year until the end of next Academic year.

Please join us in welcoming them to the Board.

On another note, we would also like to extend our thanks for the "Friends of AAESS" who so successfully organized a great day out for all and were able to generate some funds for the benefit of the pupils at our school. Parents, teachers, and students all worked well together and it was a delight to see the school community pull together and have fun in the process. We look forward to the next event!
