

Sunday 6<sup>th</sup> June 2010

Dear Parents of Nursery U

After an intergalactic time in space and with all those aliens it is time to come back down to earth and look at some different forms of transport by land. We let the children experience different materials and they love to assemble boxes and other junk. It gives them a chance to use their imagination through art and they enjoy so much speaking about their creations.

**Reminders for the month of June**

- > As the temperature is going up to 47 Celsius now it is important that children bring in a full water bottle and come to school with sunscreen on.
- > Thursday 17<sup>th</sup> June Pupil Reports will be sent home.
- > For any questions or concerns about your child you can book an appointment to come and see me Mondays after 2.00 pm.
- > Parents Teacher Consultation on Monday 21<sup>st</sup> and Tuesday 22<sup>nd</sup> June.
- > Last day of term will be Wednesday 30<sup>th</sup> June; on this day school will finish at 12.15 pm.

Best regards

Miss Martina and Miss Sandy
