

Dear Parents of Children in Year 4,

Welcome to the last week in Year 4! We would like to take this opportunity to thank you all for your support over the year. We would also like to say goodbye to the children and families that are moving on.

Sadly, two of the teachers are leaving too. Mrs. Lauren Cameron will be leaving Al Ain, to go and teach in Brunei. We wish her and her family the best of luck with their new adventure, and thank her for all her hard work whilst at AAESS. Mrs. Sarah Yates is also leaving, to go back to the UK. We would like to thank her for stepping in and doing a great job with her class. Our best wishes go with both of them. Finally, we would like to take this opportunity to wish the children all the best for Year 5. Remember, school closes on Wednesday 30<sup>th</sup> June 2010 at 12:15.

PATHS	English	In Literacy we will complete our unit on Explanation texts.
	Maths	In Numeracy we will complete all work and finish off by solving one-step and two-step problems involving numbers, money or measures, including time; choose and carry out appropriate calculations, using calculator methods where appropriate.
	Geography	In Geography, the children will distinguish between leisure, recreation and work and decide what evidence to collect and how to answer questions. They will be asking questions like what they do with their day and whether it is Leisure, recreation and work. They will find out what the most popular leisure activity is in Year 4. The children will find out by asking all the children in Year 4. They will record the evidence in a tally chart and present the evidence in a bar chart.

Thank you for your support over the Year.

Kind Regards,

Muserat Awan, Lauren Cameron, Sarah Yates and Jo Digney
