Fee's amendment

Dear Parents,

The fee letter that went out on 26th February 2008 had an error concerning the deposit and time for the deposit to be given.

Please accept my apologies concerning this matter.

The letter should have read:

A deposit is required by the 22nd April of 2000AED for each child to hold a place for the next academic year. Since there is an application in with the Ministry of Education, this year, to raise the School fees this deposit is refundable during term three. Under extenuating circumstances the deposit may be refunded at any time.

Again I would like to state my apologies for any distress the previous letter may have caused.

Yours sincerely,

Peter Hodge BEd, DipHE, MSc (IT), MBA
Principal
